Dear Resident

28 Day Notice Salix Court site set up

As part of the programme of PTOL Site team will be undertaking site set up works to Salix Court.

The site set up are what needs to be done to make the building ready for further work to your block.

Below is a breakdown of the site set up that will start 23/08/2021 and take around 6 weeks.

- Construction of temporary heras fencing.
- A site generator will be positioned by the fence adjacent Whitebeam Close.
- Support anchors will be drilled into the concrete structure
- Mast-climbers will be installed around the building
- Scaffolding will be installed around the building up to the first-floor level.

If you would like more detail about the type of work carried out please see visit:
